

## DE LA SALLE FC ANNUAL GOLF WEEKEND

The golf weekend has come and gone with 30 participants heading down to the Mornington Peninsula, past and current players along with friends enjoyed a great weekend of golf, weather and the odd convivial.

This year's winners were:

- Individual / Dave Hegan with 120.5 points
- Runner Up / Dylan Morrison 120 pts. Dylan is a young pup of 16 years with a bright future, playing off a h'cap of 2, Dylan shot 72 & 74 off the beater
- Teams Event, The Eagles captained by Ben Corin defeated the Albtrosses captained by Andrew Jackson 15 to 10. The Albatrosses trailing 6 to 8 after day one were always going to be in trouble when their captain pulled the pin on the second day for reasons unknown. It has been suggested that Jacko (individual winner 2008) couldn't face the pressure on day two.
- Pairs event over two days was won by the Hamster and Ben Nicholl with 164 points, runners up Paul Fiscaro and Mick Duggan 162
- Pairs Day one was won by Chris Kelliher and Matt Nicholl with 91 points. Day two pairs was a draw between Paul Fiscaro and Duggo and the Hamster and Ben Nicholl with 79
- Best Group Day One with 161 points was Mick Hegan, Matt Nicholl, Craig Swift and Denham the Hamster Martil
- Best Group Day Two with 161 points also was Richie Marks, Ben Corin, Dave Hegan and Paul Fiscaro
- Certainly scores on day one were very good but play was from the white tees. Ronchi, Morel, Kelso, Hamster, Rod Morrison and Matt Nicholl played out of their bottoms to shoot fantastic scores. The handicapper seized control overnight and whilst they all battled manfully the next day their day one efforts could not be repeated.
- Day two saw the groups hit off the blue tees and some with a lack of sleep shall we say struggled a tad to reproduce. In the case of Jacko he failed to show and Riz McArdle was going to be a tad late from a previous engagement! Riz would later join his group for the last 8 holes. Ben Corin and Paul Fiscaro were out of the blocks fast and both stormed home with 43 points, BC's latest purchase of a new driver sent groups in front scurrying for cover as the Big Cat closed in on greens from 280 out. Fizz and BC were coming fast but simply ran out of ground and finished 5th and 4th respectively.
- The Hamster was the leader on stableford points with 84 but as we know putting points are crucial for the individual award, as I type The Hamster is taking putting lessons, he must wait another 12 months and its killing him
- NTP's for the weekend were shared by Dylan Morrison (2) Mick Hegan, Mick Duggan, Phil Brasher, Andrew Ronchi, Riz McArdle and Hamster all 1. Riz's was

175m along the ground from start to finish and sat approx 2 feet from the cup; he would miss his birdie putt. Short changed once again only a few hours apart!

- Long Drives were shared by Dylan Morrison, Mick Duggan, Ben Corin and The Hamster.
- Half a dozen played the Sat only, amongst these were Timmy Silvers and Benny Mannix along with Jeff Morel and Ricky Stewart, 2 past and two present players
- All the scores attached
- If you're keen to join the 2010 tour please speak with Mick Hegan, dates will be 13 and 14th Nov on the Mornington Peninsula, 32 spots available and likely majority of this year's field will go around again. New faces welcome but don't leave it too late as golf courses need to be advised of changes. Currently the Dunes has been booked for both days as its one of only a few courses that provides opportunity to for groups to start from 1st and 10th tees
- Special thanks to the Cups Estate Winery managed by Leigh Fisicaro and Joe Fisicaro for offering wine at discount prices for the weekends prizes. Drop in sometime to their Cellar Door you won't be disappointed.
